Our Heartfelt Condolences to the Seizyk-Trudell Family

It is with great sadness that we pass along the news that Kim Seizyk-Trudell passed away yesterday afternoon. Her children Sierra and Paul Seizyk are members of Team Green 4-H Club and robotics team. Lena Rocketeer Named Junior Fairest of the Fair Submitted by Dane Comins, Lena Rocketeers Reporter

In an interview with Grace Seefeldt, Dane Comins asks the following questions of the recent Junior Fairest of the Fair winner:

1) What did you have to do to become junior fairest of the Fair?

I had to submit an application with 4 pictures of myself. Then, I spent a day with 3 judges, and after that, I had to go in front of an audience where I introduced myself, presented a radio spot I wrote, and did an impromptu fair activity announcement.

2) What do you have to do?

Prior to the fair, I will do various parades and activities to promote the fair & agriculture. I will be doing Breakfast on the Farm which will be fun! Lots of parades! At the fair I have to hand out ribbons and announce different fair activities.

3) What are you most excited for?

I am most excited for my first parade – I really like to wear my crown. 😊

Livestock Animal Exhibitors,

In order to align with the state standards, the Oconto County Fair Board has decided the following species exhibitors must attend Meat Animal Quality Assurance (MAQA) training **dairy, dairy goat, rabbit, and poultry** in addition to **beef, sheep, swine and meat goats** in order to be eligible to sell in the 2017 Sale of Champions.

The MAQA curriculum is set by the state and focuses on safe food production, proper animal care, and ideal management practices. The livestock raised by youth exhibitors are an important part of our agriculture industry, and we want to strive for high quality food production. Many counties in Wisconsin have adopted the Meat Animal Quality Assurance trainings as part of their fair requirements. The Oconto County Youth Livestock Committee recognize the importance of this training, and it is a requirement for livestock youth to be eligible to sell their animals in the Sale of Champions. The training focuses on different topics each year, and it counts as one of your educational points for County Fair.

The MAQA trainings scheduled for this year:

Thursday, April 20—Pound Town Hall, Coleman 7:00 - 8:30 pm

Saturday, May 6—Gillett Community Center, 200 E Main Street, Gillett 1:00- 2:30 pm

Registration for these trainings is required. You can register by calling the Oconto County UW-Extension Office (920) 834-6845.

If you are not MAQA certified, you will not be eligible to sell in the Sale of Champions at the 2017 Oconto County Fair. MAQA training must be renewed every year. Exhibitors must attend the entire training to be certified. Please choose the date and location that works best for you!

If you are unable to make any of these dates, you are allowed to attend MAQA in another county. Please visit the UW-Extension MAQA website <http://fyi.uwex.edu/maqa/maqa-meetings/> for training in other counties, or contact the Oconto County UW-Extension office. Most counties will be holding their trainings in spring and early summer, so please do not wait until the last minute!

If you have any questions about MAQA, please contact Sarah at (920) 834-6845. If you know of any new 4-H, FFA, or Scouts members which might be showing livestock this year, please pass this information along to them.
