Dairy Stall Requests, August 1st
Dairy project members that will be exhibiting in the fair need to provide a count of how many dairy animals you will be showing this year. You will need to give a count for dairy animals in each of the following categories: cows, yearlings and calves. This information is vital to ensure that there is sufficient housing for your animal(s) during the fair.

Please call (920-598-0710), text (920-598-0710), or email (ehbuhrandt711@yahoo.com) Dairy Superintendent Erin Buhrandt by August 1, 2016 with your count. Any information given after August 1, will not guarantee the appropriate stall dimensions for your animals brought to the fair.

Sheep and Swine Penning Request, August 8th
Sheep and Swine project members that will be exhibiting in the fair need to complete an Oconto County 2016 Pen Assignments form to provide a count of how many animals you will be exhibiting. Knowing how many animals will be exhibited ahead of time will help us assign pens in the barn. (Form is attached)

Please send the form to Sheep and Swine Superintendent Bobbie Windus by August 8, 2016—you may also text the information if you would like to (920) 604-1687.

Anyone exhibiting rabbits, geese, ducks, chickens or turkeys at the fair need to fill out a Cage Request form. You may request one cage for each animal. **Project Development Survey**
Over the past three years The Project Development Committee has been committed to offering three project events each year, 4-H Fall Kick-Off, January Thaw and Spring Fling. We would like your input to make these events more in tune with our members. Please take a few minutes to answer some questions in our survey and help us make these 4-H project events even better! We encourage both adult and youth members, with an adult’s help, to complete the survey. Thank you from the Project Development Committee. To participate in survey click here: Project Event Survey
