If you are interested in leadership or governance, this is the place to be. Not to mention, it looks great on college applications. Contact Kim Kamke at kim@frgf.com if you are interested.

Horse Project Information

The Oconto County 4H Horse Project held their annual meeting April 23rd, 2017. If you were not able to attend and are interested in showing at the Fair, please contact Danna Magnin at (920) 373-7058 for a copy of the 2017 Horse Project Handbook OR you may access it at the following link:

<http://oconto.uwex.edu/files/2017/04/HANDBOOK-2017.pdf>

The Horse Project will be holding their first clinic for this year at the Gillett Fairground Ring on **Saturday, May 13th beginning at 11am**. This is NOT a bring your horse event. Lisa & Ashley Terry will be demonstrating proper grooming techniques/methods and showmanship. Many portions of being a good showman can be practiced without the aid of your horse. This very first clinic will go over all the essentials to get you started to work with your horse on Showmanship or practice your current skills. Again - this May 13th date is NOT a bring your horse event. Lisa and Ashley will have one or two horses there to demo with.

We will then have another clinic on Show Prep and Showmanship on **Wednesday, June 7th beginning at 6pm**. This WILL be a bring your horse event. Please be ready to go at 6pm that evening. If you are unable to bring your horse to this event or are pressed for time, you can still come and audit and learn/ask questions. The Terrys will have a horse or two there as well to work on/practice with. Banding of your horses mane will be one of the show prep topics covered. If you would like help with this skill, please bring your bands and brushes/combs along to get some practice in with feedback. It would be helpful to have an adult who is able to be in the ring with the youth to hold their horse as they are banding. We will NOT tie the horses to the ring panels. Adults & youth - please wear appropriate protective footwear and long pants for safety. As a reminder all horses MUST have a negative Coggins test within the past 12 months to attend any of the ring nights. Be sure to travel with your original and bring a COPY to leave with the leader that evening. Schedule your vet appts soon so you are able to get out and about with your horses.

Please RSVP to all of our events at least one day in advance. You may text your RSVP including your name to Danna. If attendance is poor or very limited, we may cancel and **will notify those that RSVP'd**. If weather is questionable at all, please text or call prior to loading up.

Lastly, again this year we are requiring that all members attend at least one ring night with their horse/s that they may show at the Fair. There will be several practice nights scheduled as summer gets closer. Dates to be determined. We will also have a clinician come in on **Sunday, July 9th** to work with the kids and their horses. Registration info/times will be sent out separately for this event next month.

Livestock Animal Exhibitors,

In order to align with the state standards, the Oconto County Fair Board has decided the following species exhibitors must attend Meat Animal Quality Assurance (MAQA) training **dairy, dairy goat, rabbit, and poultry** in addition to **beef, sheep, swine and meat goats** in order to be eligible to sell in the 2017 Sale of Champions.

The MAQA curriculum is set by the state and focuses on safe food production, proper animal care, and ideal management practices. The livestock raised by youth exhibitors are an important part of our agriculture industry, and we want to strive for high quality food production. Many counties in Wisconsin have adopted the Meat Animal Quality Assurance trainings as part of their fair requirements. The Oconto County Youth Livestock Committee recognize the importance of this training, and it is a requirement for livestock youth to be eligible to sell their animals in the Sale of Champions. The training focuses on different topics each year, and it counts as one of your educational points for County Fair.

The MAQA trainings scheduled for this year:

Thursday, April 20—Pound Town Hall, Coleman 7:00 - 8:30 pm

Saturday, May 6—Gillett Community Center, 200 E Main Street, Gillett 1:00- 2:30 pm

Registration for these trainings is required. You can register by calling the Oconto County UW-Extension Office (920) 834-6845.

If you are not MAQA certified, you will not be eligible to sell in the Sale of Champions at the 2017 Oconto County Fair. MAQA training must be renewed every year. Exhibitors must attend the entire training to be certified. Please choose the date and location that works best for you!

If you are unable to make any of these dates, you are allowed to attend MAQA in another county. Please visit the UW-Extension MAQA website <http://fyi.uwex.edu/maqa/maqa-meetings/> for training in other counties, or contact the Oconto County UW-Extension office. Most counties will be holding their trainings in spring and early summer, so please do not wait until the last minute!

If you have any questions about MAQA, please contact Sarah at (920) 834-6845. If you know of any new 4-H, FFA, or Scouts members which might be showing livestock this year, please pass this information along to them.

Thank you,
