Email: pathen33@yahoo.com

Challenge Instructions:

- *Bring in a clean plastic* container such as a milk jug, container from fruit, vegetables or pastry, ice cream pail or a 2 liter soda bottle. The container should hold at least 3 inches of soil and have some headroom for seedlings to grow.
- Scissors
- Craft sticks (to label the plants)
- Duct tape or packing tape (the clear kind weathers better than the silver)

Take this project to the fair!

- 1) Enroll in 4-H online at www.4honline.com and add Fruits or Vegetables (or both) under the projects tab before April 30th.
- 2) For fair sign up choose:
 - Dept 14 (Fruits & Vegetables)
 - Class M
 - Lot (see premium list)
