December 22, 2017

Livestock Animal Exhibitors,

Wisconsin has replaced the MAQA (Meat Animal Quality Assurance) program with the Youth for the Quality Care of Animals (YQCA) national program. This new and interactive program provides youth options for annual quality assurance certification. Exhibitors of the following species in Oconto County must complete Youth for the Quality Care of Animals (YQCA) national program: **beef, dairy, dairy goat(s), meat goat(s), poultry, rabbit, sheep and swine and poultry** in order to be eligible to sell in the 2018 Oconto County Youth Fair Sale of Champions. In addition, it will count as one of your educational points for the Oconto County Fair, and be required for those who intend to show beef, sheep, swine, goats, dairy, poultry and rabbits at the 2018 Wisconsin State Fair.

The YQCA training will provide a common framework for food animal quality assurance programs which will strengthen the youth educational experience, improve the care of food animals, and promote a higher level of consumer food safety. In addition, youth will learn about other species of animals; not just the species they show. Each year, youth will complete one new module in each the following categories: Animal Welfare (basic needs, proper animal handling, biosecurity, etc.), Food Safety (medications, medicated feeds, withdrawal times, avoiding residue, etc.), and Character Education (ethics, goal setting, career exploration, etc.).

The YQCA program was peer-reviewed for content and age appropriateness. It is supported by Wisconsin 4-H and FFA leaders. Youth for the Quality Care of Animals training content and modules will demonstrate a progression of topic knowledge in designated age categories (age as of January 1):

- Junior (8-11 years old) • Intermediate (12-14 years old) • Senior (15-18 years old) • Young Adult (19-21 years old).

The new YQCA training is an effort to provide flexibility to accommodate busy seasonal schedules while providing relevant age-specific food animal quality assurance training. Youth exhibitors will complete three interactive online modules and quizzes which can be accessed according to your schedule. In Wisconsin, face-to-face trainings may be offered in specific counties for juniors (8-11 year olds) only. On average, it will take 60 minutes per year to complete all the required online training modules or in-person training—depending on age.

Maintaining current information, developing creative modules on an online learning platform costs a significant amount of money, and youth exhibitors will pay depending on the training option. Youth completing the online modules will pay \$12/person/year, and face-to-face trainings offered for juniors (youth age 8-11) only will pay \$3/person/year.

To complete the YQCA online training or register for face-to-face training, log into <http://yqca.org>. Follow the step-by-step instructions to create a user identity and password. All payments for either online or in-person training will be made using the YQCA website. Additional material fees (beyond the \$3.00 payment to YQCA) for in-person training may apply, and if so will be collected at the time of the face-to-face training.

Two in-person trainings will be offered for juniors (8-11 year olds). The dates and locations of the trainings are listed below. Space will be limited, and registration will be taken only through the YQCA website (<http://yqca.org>).

In-Person Trainings for Juniors (8-11 year olds) ONLY:**Thursday, April 19—Pound Town Hall, Coleman 6:00 - 7:00 pm****Saturday, May 12—Gillett Community Center, 200 E Main Street, Gillett 9:30- 10:30 am**

It is recommended to print the completion certificate at the end of the online session as the ten-digit certificate number will be required on your paperwork for training verification. The certificate and ten-digit certificate number can only be accessed through your account at <http://yqca.org>.

If you are not YQCA certified, you will not be eligible to sell in the Sale of Champions at the 2018 Oconto County Fair. Training must be renewed every year for YQCA. Exhibitors must complete all online modules, or attend the entire in-person training to be certified. Please choose the option that works best for you!

If you have any questions about YQCA, please contact Sarah at (920) 834-6845. If you know of any new 4-H, FFA, or Scouts members which might be showing livestock this year, please pass this information along to them.

2018 Swine Exhibitor Information

Oconto County Youth Fair
August 16-19, 2018

March 16, 2018

Dear Oconto County Fair Swine Project Exhibitor,

Due to the animal health rule establishing herd testing requirements for Porcine Reproductive and Respiratory Syndrome (PRRS) and Swine Enteric Coronavirus Disease (SECD) of swine in Wisconsin, the Oconto County Fair swine initial weigh-in will not be held in 2018. The decision has been made by the Oconto County Fair Board to have a terminal show for the 2018 swine project at the Oconto County Youth Fair. There will be no breeding classes shown, and all swine brought to the fair will be sent to slaughter at the termination of the 2018 Oconto County Youth Fair.

Identification of swine will be via RFID tags available from the Oconto County UW-Extension office. Please call the UW-Extension office at (920) 834-6845 to report how many swine (per exhibitor) you plan to identify, and tags will be mailed directly to the exhibitor. Directions for the proper placement of the ear tag(s) will be mailed along with the RFID tags. Exhibitors may initially tag up to four animals, but will only bring two animals to the fair.

Exhibitors will need two digital photographs (side-view and front-view) of each swine once they have been tagged with the RFID fair tags. The side-view photograph should include the entire animal with the exhibitor, and the front-view photo should include the swine's head with the tag number able to be clearly seen. Exhibitors will submit one completed 2018 Swine Exhibitor Form with accompanying photographs of identified fair animals. The submission deadline for the completed 2018 Swine Exhibitor Form with photographs is April 28, 2018, to staciepienta@gmail.com. Note: when submitting photographs as attachments, please include exhibitor name and RFID tag number.

If you have questions regarding acquisition of tags or completion of the form, please call the Oconto County UW-Extension office at (920) 834-6845.

Sincerely,

A handwritten signature in cursive script that reads "Sarah Mills-Lloyd".
