New County-Wide 4-H Charter Goal Created at Leader's Association Meeting on May 10th

At the last Leader's Association meeting held on May 10th the members put together a County-wide 4-H Charter goal that all Oconto County 4-H clubs are asked to participate in. To continue to promote 4-H in our county, by expanding our horizons to as many families as possible, the Leaders Association will be creating an Expanding 4-H Access committee. This committee will work on ideas to promote 4-H to those in our county that may not know they are eligible. The committee will begin forming after the re-enrollment deadline in November. It is asked that each club consider electing one adult or older youth member to be on the committee so we can have representation from all corners of our county. We also ask that committee members take topics discussed back to their club to be further explored by the club members.

Attention Club Leaders: Club charters this year will require your club's goals include expanding access in your club. The Leader's Association would like you to consider using the following goal as one of the goals for your club's charter. Please bring this up at a meeting when you are discussing your S.M.A.R.T. goals for next year. You may change the goal in any way your club sees fit.

*****Oconto County 4-H County-Wide Expanding Access Charter Goal*****

We will begin the process to learn more about how we can make our club more accessible to all families in our club area by electing at least one adult or older youth member to be on the Oconto County 4-H Expanding Access committee for one year. This person will bring back topics discussed at the committee meetings which we will talk about at our club meetings.

If you have any questions feel free to contact the UW-Extension Office at 4h@co.oconto.wi.us or (920) 834-6846
