Classes are limited to six, adults or teens (younger participants are welcome but must be capable of using the sewing machine and should have an adult accompany them to aid them in the class). Tractor Supply Co Paper Clover Campaign, Oct. 4th-15th

The Fall Tractor Supply Company will holding a Paper Clover Campaign October 4th-15th. During the campaign, customers can purchase a paper clover for one dollar at checkout to support leadership activities for Wisconsin 4-Hers.

The Wisconsin 4-H Foundation is offering a great way for clubs to promote 4-H and help make the Paper Clover Campaign more successful. We are asking 4-H clubs to partner with their local TSC to promote 4-H at the store. The first club to volunteer at each store will receive \$50 from the Wisconsin 4-H Foundation.

There are over 15 TSC stores in Wisconsin, so even if there is not a TSC in your county, you can still partner with the TSC that is closest for you. Note that only one club will receive \$50 for volunteering in each Wisconsin TSC store.

If you are interested, contact Joanne at the Wisconsin 4-H Foundation at Joanne@Wis4HFoundation.org or (608) 262-1597. The Foundation can provide contact information for the store in your area, then your club and the store can work together to plan your event.

4-H Responds to Hurricane Harvey Victims in Texas

To give to the Texas 4-H Relief Support Campaign for 4-H Programs Affected by Hurricane Harvey please visit <https://texas4hfoundation.org/give/>

In response to the disaster on the coast many local 4-H clubs are hosting supply drives where items can be delivered quickly and efficiently to the storm zone. The Texas 4-H Youth Development Program and the Texas 4-H Youth Development Foundation are facilitating a monetary campaign to directly support 4-H club and county programs in the hurricane zone.

RE-ENROLL

At the bottom of the next screen, click on the button for **Enroll for 2017-2018**.

If the youth is over 17 years old, a box will appear asking if you wish to enroll as a youth or an adult. If the youth is graduating from 4-H and wants to continue as an adult leader, then choose **Enroll As Adult**, otherwise select **Enroll as Youth**.

You will now see the Personal Information that you entered when you first enrolled. Look over the information and make any corrections. If the youth was in 12th grade last year, you must select the grade for this year, either **Post High School Education** or **Not in School**. When you are done, click on **Continue**.

Next is the Additional Information screen where you will need to accept the agreements and answer the Photo Release and Accommodations questions. Click **Continue** when done.

The Health Form for members is optional at enrollment, but you could be asked to complete it in the future if you attend any events that require one. Click **Continue** when done.

If you are an adult volunteer and see the Volunteer Screening page, then it has been 4 years since the last time a background check has been completed. You need to check over the answers to the questions and correct as needed. This page will only appear every 4 years. Click **Continue** when done.

On the Participation -> Club screen, confirm the correct club is listed. If you serve in a volunteer role (but not as a project leader) click on **Edit** and select the volunteer type. Click on **Update** to save the change. Click on **Continue** when done.

On the Participation -> Projects screen, confirm all the projects you are enrolled in are listed. Add any missing projects. If you are dropping a project, click on **Edit** for that project and then click on **Delete**. After making sure all your projects are listed correctly, click on **Submit Enrollment**.
