**Charters Due at Leader’s Association Meeting, September 13th**
**Attention Club Leaders:** Club charters will be due at the Leader’s Association meeting on Thursday, September 13th, 6:30pm at the Gillett Library Community Center, Gillett. I will be reviewing the charters during the meeting so issues and questions can be addressed immediately.

New club charters and copies of last year’s charters were handed out at the last Leader’s Association meeting in May. Please remember that this is a CLUB activity, not a LEADER activity. We are hoping this advance notice will be enough time to add portions of the charter to your club’s agenda each month before the September deadline.

Club charters this year will require your club’s goals include expanding access in your club. The Leader’s Association would like you to consider using the following goal as one of the goals for your club’s charter. Please bring this up at a meeting when you are discussing your S.M.A.R.T. goals for next year. You may change the goal in any way your club sees fit.

***Oconto County 4-H County-Wide Expanding Access Charter Goal***

We will begin the process to learn more about how we can make our club more accessible to all families in our club area by electing at least one adult or older youth member to be on the Oconto County 4-H Expanding Access committee for one year. This person will bring back topics discussed at the committee meetings which we will talk about at our club meetings.

*If you have any questions feel free to contact the UW-Extension Office at 4h@co.oconto.wi.us or (920) 834-6846*

Tractor and Machinery Safety Certification Offered in Coleman, July
UW-Extension of Marinette and Oconto Counties are sponsoring a Tractor and Machinery Safety Certification course for youth who are interested in working on their family farms or for hire on other farms. There are four days of instruction that will allow students to attend the mandated 24 hours of training.

The scheduled days of instruction are Mondays, July 16 & 23 and Wednesdays, July 18 & 25, with all four days’ schedule being 9 a.m. to 3:15 p.m. If participants need to miss one of the days, a make-up day will be scheduled. All persons MUST attend the July 25 session.

The sessions will be held at the Pound Town Hall, on the east edge of Coleman on Cty. Hwy. B. The training will include emergency response basic training, machinery maintenance, and some in-seat machinery management.

Successful completion of the course and the driving and multiple-choice written tests allows 12 and 13-year olds to work on their families’ (parents and grandparents) farms and operate machinery over public roads between the farm and fields. Successful completion allows 14- and 15-year olds to do the same for their family farms and also for other farms. The course fee is $35 with participants bringing their own lunches.

The course will allow for both skill and knowledge development, with assistance from local emergency response personnel, local farms, equipment retailers, and others. We will be analyzing machinery for safety aspects, learning to conduct on-farm safety assessments, and lots of other activities, along with videos and course material review.

Contact Scott Reuss at the Marinette County UWEX office, 1-877-884-4408, 715-732-7510 or at scott.reuss@ces.uwex.edu to register or if you have any questions. You can also get the registration information and form off their web page at http://marinette.uwex.edu/. Pre-registration is required, by July 13.

Although any persons are welcome to take part in the course, participants must turn 12 by July 25th to take the tests. Farms employing younger persons are particularly encouraged to make sure that anyone not having a driver’s license be certified. The course can be considered a valid safety training program for workers, as well, or a great way to introduce new farm families to the intricacies of farm safety. For more information see flyer on page 20.

Pssst...Attendance at any of the animal clinic events counts as one educational point for animal exhibitors. Three educational points are required by the Oconto County Youth Fair for all exhibitors intending to participate in the Show of Champions. One point must be from YQCA, one must be species specific and the other may be any animal related event. Please see the Oconto County Youth Fair Premium list for more information.

We may have some pop-up dates scheduled too as time permits. An email will be sent all if so. We may also need to cancel a date or two if there are leader’s conflicts, weather issues, etc. that arise - please be understanding of this.

Oconto County Fair Community Service Scrapbook Contest
This contest has been a best kept secret at the Oconto County Fair for many years. While it has been held every year, not everyone knows the contest exists and what you need to do to participate. In order to compete, you must compile a scrapbook that illustrates, in pictures and words, the community service project(s) your club did this year. The book belongs to whole club, not just one person and can be created by a youth or committee of youths designated by the club. There is a cash prize of $30 for the winning club. See page 22 for a copy of the judge’s criteria.

The Community Service Scrapbook should tell the story of a club or organization’s service activities within their community. Scrapbooks are due to the fair office by 8:00pm on the Thursday of the fair. Scrapbooks need to be picked up during Expo Hal exhibit checkout on the Sunday of the fair. The fair board is not responsible for scrapbooks that are left at fair office after the fair is over.

Community Scrapbook Rules

- Scrapbooks should be contained in a three ring binder.
- It is best to use sheet protectors or lamination to protect the pages from damage and fingerprints (optional)
- Only activities during the current club or organization year should be included
- Scrapbook cover should be creative and incorporate club or organization name.
- First page of scrapbook should include a title for scrapbook, the year and the names of any individuals involved in its creation. This can be creative also.
- Scrapbook can focus on one or many community service activities. (Judging focuses on the presentation, not on the number of activities.)
- Be creative, neat, complete and organized when creating the story of the community service activities.
- Each scrapbook story about a particular community service project should include:
  - Why did your club or organization do this community service project? How did you come up with the idea?
  - Who were the intended audience for the project?
  - Who was involved in planning and executing the project?
    (Include youth and adults)
  - Where and when was this activity held?
  - How did you let people know about it?
  - What was the result or impact of the project?
  - Was this project educational for the public?
- Some things to try to include when answering the questions above: photos, drawings, newspaper or newsletter articles, interviews with participants, description of activity, the steps involved in planning and your results.
- Be sure to include captions for all photos and drawings and give credit to photographers, interviewers and authors of newspaper and newsletter articles.

I hope your club will consider putting something together. This is a great job for a member that is looking for a way to participate but they don’t want to be an officer. Happy scrapbooking! Arvilla

2018 Youth Tractor and Machinery Safety Training

Pound Town Hall – Coleman, WI

Mondays & Wednesdays, July 16, 18, 23, and 25
Makeup days will be scheduled if needed.
Cost: $35/person 9 a.m. to 3:15 pm each day

Who Needs To Attend the Training? Any 12 to 15-year old who may need to drive any type of farm machinery on a public road in Wisconsin. Others are welcome to attend the course, but only those older than 12 will receive certification. Those 16 years old and older without a valid driver’s license can also utilize this training to be legal to drive farm machinery on public roads.

Legal Review: In Wisconsin, 14 and 15 year-olds who have successfully passed the Wisconsin Safe Operation of Tractor and Farm Machinery Course can legally drive farm machinery on public roads for their parents or grandparents’ farms AND can work for other farms and do the same. 12 and 13-year olds who have completed the course can legally drive farm machinery on public roads only when working for their parents or grandparents’ farms. If you employ persons under 15 years or who do not have a driver’s license, it is highly recommended that you have them attend the training, whether they drive on public roads or not, as this is a good all-around safety training (and you should be collecting a copy of their federal permit from them). You may want to talk to your insurance agent to double-check about requirements based on your insurance policy.

Some Logistics:
– State law mandates 24 hours of training for this program. If participants are not going to be able to attend one of the scheduled days, we will figure out an acceptable make-up day that matches our schedules to allow them to complete the course. **Wednesday, July 25 is testing day and all participants MUST be in attendance.**
– Participants need to bring their own lunches, a refrigerator will be available for storage. Families are welcome to provide snacks, Scott will have water and/or lemonade and/or milk available.
– The course will emphasize hands-on and skill-building exercises, including first aid and fire safety from local emergency response personnel. We will be analyzing machinery for safety aspects, conducting on-farm safety assessments, and dozens of other activities, along with videos and course material review.

Call Scott at the Marinette County UWEX office, at either 715-732-7510 or toll-free 1-877-884-4408 if you have any questions, or you can e-mail to scott.reusa@ces.uwex.edu
