*Please note: Steers entered in the dairy steer performance project must be purebred cattle of the following breeds only: Ayrshire, Brown Swiss, Guernsey, Holstein, Jersey, Lineback, Milking Shorthorn, and Red & White. Cattle can be registered or grade, except for Milking Shorthorns. Milking Shorthorns must have registration papers that verify that the steer is from a Milking Shorthorn dairy line. Steers that are crosses of dairy breeds will be shown in the beef breed market class.*
