Marinette & Oconto Counties
CLEAN SWEEP
July 26–27, 2019
HOUSEHOLD AND AGRICULTURAL
HAZARDOUS WASTE COLLECTION

This program is for the collection of waste generated within the geographical boundaries of Marinette and Oconto Counties. Many products you use in your home and yard contain hazardous materials. Improper disposal of these products can cause fires, injuries to people and animals and groundwater contamination. This guide will help you identify hazardous products in your home. Keep your home safe and the environment clean by properly disposing of hazardous products. (Items may be modified at any time to meet the needs of the program.)

USE THE FOLLOWING CODES AND CHART FOR EXAMPLES OF DISPOSAL

Key:
□ Place in trash
▲ Take to a hazardous waste collection site
● Pour down the drain (if connected to a municipal sanitary sewer) after reading product safety label

GARAGE AND WORKSHOP
Acetone
Artists paint and media
Antifreeze
Auto body repair products
Battery acid
Brake fluid
Car wax, solvent-based
Contact cement
Driveway sealer
Fiberglass epoxy
Fluorescent bulbs
Gasoline/oil mixtures
Gasoline and other fuels
Glue, solvent-based
Glue, water-based
Joint compound
Kerosene
Lighter fluid
Non-automotive oils
Paint, latex (see back)
Paint, oil-based
Paint thinner
Paint stripper
Parts cleaner
Photographic chemicals
Rust remover
Shellac
Stain
Transmission fluid
Turpentine
Varnish
Windshield washer solution

Wood filler
Wood preservative

KITCHEN AND BATHROOM
Alcohol-based lotions
(Perfume, after shave)
Bleach
Cleaners, ammonia-based
Cleaners, solvent-based
Cosmetics
Disinfectants
Drain cleaner
Floor care products
Hair remover
Medicine (see back of brochure)
Nail polish
Nail polish remover
Oven cleaner
Permanent wave solution
Skin cream
Thermometers
Toilet bowl cleaner
Tub and tile cleaner
Window cleaner

HOME AND GARDEN
Aerosol cans, empty
Aerosol cans, full
Batteries, alkaline
Batteries, button
Batteries, rechargeable
Dry cleaning solvent
Fertilizer (without pesticides)
Fertilizer (with pesticides)

Fungicide
Furniture polish
Insect spray
Light ballasts
Metal polish, solvent-based
Mothballs
Pesticides
Pool chemicals
Rat poison
Shoe polish
Spot remover
Stump remover
Thermostats & mercury switches
Weed killer

FARM & AG BUSINESS
(Pre-registration required)
Pesticides
Examples include DDT, Chlordane, Lead, Arsenate, Lindane, 2,4,5-T, Silvex
Pesticide cylinders
Veterinary supplies
Lead-based and other metal-based paints
Other toxic metal paints
(Fungicidal paints)
Wood preservatives (Penta)
Freon 11, 12 (refrigerant)
Picric acid (call ahead)
Pesticide rinsates
Unknown chemicals

MATERIALS THAT WILL NOT BE ACCEPTED
Asbestos, ammunition-explosives, infectious or medical wastes, radioactive wastes, oil, latex paints, TV’S & other electronics, light bulbs. For latex paint & medication disposal options, see the other side of this flyer. Automotive oil can be disposed of at a recycling facility that collects oil. TV’S, other electronics & light bulbs can be recycled at most local drop off sites.

FOR FURTHER INFORMATION, CONTACT
Marinette County Land Information Department
1926 Hall Avenue, Marinette WI 54143 ~ 715-732-7780
Extension – Marinette County
1926 Hall Avenue, Marinette WI 54143 ~ 715-732-7514
OR, visit the county website: www.marinettecounty.com

Oconto County Land & Water Resource Department
301 Washington, Oconto WI 54153 ~ 920-834-6827
Extension – Oconto County
301 Washington, Oconto WI 54153 ~ 920-834-6845
Or, visit the county website: www.co.oconto.wi.us
BUYING SMART

- Think twice before you buy! Switch to safe substitutes.
- Read the label. Make sure the product will do what you want before purchasing. Follow label directions for safe usage, storage and disposal.
- Purchase only the amount you need and use up what you buy.
- Avoid aerosols. Choose pump sprays or other alternatives.

PROPER DISPOSAL

- Stores that sell car batteries must accept them back for recycling.
- Give leftovers to someone who will use them up for their intended purpose. Reuse products such as paint thinner and paint.
- Never pour oil, antifreeze or other hazardous materials on the ground, into storm sewers or the down the drain.

DISPOSAL OF LATEX PAINT

**Step 1:** Find an **outside** work area away from children pets, and rain. Locked screen porches and balconies work well. Because some old latex paint contains mercury, it’s important to dry out paint outdoors in a safe place.

**Step 2:** Dry it out. Remove the lid and let the paint dry in the can. Stir the paint occasionally to speed drying. Or, brush paint in layers on newspaper or cardboard. **For larger amounts of latex:** Pour one-inch layers of paint into a cardboard box lined with plastic. Allow the paint to dry, one layer at a time – thin layers will speed up the drying process. Or, mix paint with cat litter, sawdust or sand in a cardboard box lined with plastic and let it dry.

**Step 3:** Throw dried paint, cans and other materials in the trash. Leave lids off paint cans so trash collectors will see that the paint is dry and accept them.

DISPOSAL OF MEDICINES (PHARMACEUTICALS)

For proper disposal of prescription and non-prescription medicines, drop boxes are located at the following locations:

- Oconto County Law Enforcement Center 220 Arbutus Ave., Oconto, WI
- Suring Police Department 604 E. Main Street, Suring, WI
- Gillett Police Department 150 N McKenzie Street, Gillett, WI
- Oconto Falls Police Department 500 N Chestnut Ave., Oconto Falls, WI
- City of Marinette Police Department 1905 Hall Ave., Marinette, WI
- Nicolet Pharmacy 15481 Commercial Road, Lakewood, WI
- Marinette County Sherriff Dept. 2161 University Dr., Marinette, WI

THE 2019 TEMPORARY HOUSEHOLD & AGRICULTURAL HAZARDOUS WASTE COLLECTION FACILITIES

The Marinette and Oconto County’s Clean Sweep Program will accept hazardous waste from small businesses, churches, schools, emergency services, and county facilities that fill out a VSQG (Very Small Quantity Generator) preregistration form. VSQG participants will be responsible for paying all disposal costs. VSQGs may be eligible for 50% grant funding for disposal of agricultural chemicals. A no obligation disposal price quote will be provided prior to bringing material to the collection facility. Please contact one of the departments listed on the front of this flyer for more information. **Preregistration is critical to assess safety of transporting hazardous materials to the event and any cost involved for proper disposal.**

Special thanks to the Wisconsin Department of Agriculture, Trade and Consumer Protection, Marinette & Oconto Counties and the Marinette – Oconto (Mar-Oco) Landfill for funding this program.
NAME ___________________________________ BUSINESS NAME___________________________________________
ADDRESS ___________________________________________________________________________________________
PHONE _________________________________ E-MAIL: ___________________________________________________

Agricultural Clean Sweeps are operating on an "appointment" basis to efficiently and safely serve area farmers, agricultural businesses, and businesses that are very small quantity generators (VSQG). Pre-registration is required to accurately access eligibility for subsidies and volumes of product. Please indicate below which location & time slot is best for you.

Who is a VSQG? VSQG’s are small businesses, churches, schools, municipalities, non-profit groups & organizations that generate less than 220 lbs/month & accumulate less than 2200 lbs of hazardous materials at any one time. VSQG’S disposing of ag related pesticides or chemicals may be eligible for 50% disposal cost subsidy. Other businesses must pay all disposal costs for non-agricultural pesticides or chemicals.

Are you registering as a VSQG? _____ YES _____ NO If yes, contact Oconto Co Solid Waste Dept 920-834-6827 for further details on receiving a cost estimate or any additional questions.

How much does it cost? All farmers, abandoned farm owners & agricultural businesses from Marinette & Oconto Counties are invited to participate. The first 200 pounds of agricultural waste from an individual farm is accepted free of charge to a farmer/farm owner or the owner of land that was formerly a farm. Ag businesses may be eligible for 50% subsidy.

Please carefully inventory all farm (agricultural) chemicals in your sheds and barns & answer the following questions:

1. I will bring _____ pounds of dry products (e.g., dry flowables, powders, granulars)
2. I will bring _____ gallons of liquid products (e.g., solutions, emulsifiables)
3. I will bring _____ gallons of lead-based paint
4. I will bring _____ number of 30-55-gallon drums.

How much product is in each drum? (Give each drum a number and estimate liquid quantity. Drum liquid quantity estimate should not be included in estimate on Question #2.)

5. Do you have any "unknown" chemicals? “Unknown” chemicals could be anything that has no labels identifying the product and you have no knowledge of its use. _____ YES _____ NO _____ UNSURE

6. Will you bring over 200 pounds of chemicals to the site? _____ YES _____ NO _____ UNSURE

7. Send this form to the office in your county: Marinette County Land Information Department, 1926 Hall Avenue, Marinette, WI 54143 or Oconto County Land & Water Resource Department, 301 Washington, Oconto 54153. Form can be scanned and emailed to geleereman@marinettecounty.com or lwr@co.oconto.wi.us

8. Forms must be submitted by July 19, 2019

Please check one location:
