# 2023 OCONTO COUNTY FAIR SALE OF CHAMPIONS

## INFORMATION FOR BIDDERS

Thank you for your participation in the Sale of Champions at the Oconto County Fair. The purpose of the sale is to reward youth animal exhibitors who have excelled in their projects. The 4-H and FFA animal projects provide hands-on learning in animal production skills, which may help those who go on to careers in agriculture. It is also a vehicle for learning life skills such as responsibility, communication, cooperation and leadership in a practical manner. Your participation and support makes you a partner with the parents, teacher/advisors, and volunteer leaders in this education process.

Thanks again!

### SALE OF CHAMPIONS GOALS

The animals sold in the Sale of Champions are those that placed highest in their shows the past few days. To be eligible for the Sale of Champions, youth are required to meet certain educational and record keeping requirements and production performance standards. It is hoped that each animal sold will bring a price over market price to offset the higher than normal expenses associated with preparing an animal for show. The sale is an incentive for youth to participate and excel in their projects.

### PROJECTS TO BE AUCTIONED

**PLEASE NOTE:** Large animals are sold by the pound. Small animals and products are sold by the unit. Cheese baskets are sold for dairy and dairy goat exhibits. Gift baskets are sold for horse and dog exhibits. The Youth Livestock Committee and Fair Board can assist you with arrangements for reselling, or processing your purchase. Livestock can be shipped to market from the fairgrounds tomorrow morning. **Please inform the fair office of your desires or arrangements for disposition of your purchase before leaving the fair today.**

# 2023 SALE OF CHAMPIONS
